

380degrees

LUXURY AND
CONVENIENCE ARE THE
MODERN ESSENTIALS
AT 380 DEGREES

The many faces of your personal wellbeing team are waiting on your doorstep. While COLES will provide your lower level pantry, a host of experts in your local cafés, salons, boutiques and bars are on hand to make the living easy...

the 380 conciierge

380 Bay Street Brighton

extend your pantry.

Searching for something to complement your recent purchase of Penfold's Grange? Then look no further than your extended pantry downstairs, replete with market garden and orchard. Your butcher, your baker, the walk in freezer that you've always wanted, it's all there for the asking. Just ask nicely...

Look No Further

raise the bar

Shaken or Stirred?

Your personal bar tender cum sommelier waits for you downstairs. Sure he may work for everyone but you know you're his favourite. Head down to your private cellar and get the best recommendations for your wine soaked, gourmet dinner party and bespoke cocktail evening. Suddenly, your balcony is the new destination in summer.

Your Favourite Barista

You need to hydrate after a run on the beach and your mornings just got sweeter. An authentic on-premise experience with your favourite barista who knows just how you like it. A perfect pastry and latte or maybe your usual juice and breakfast sunny side up. They are used to a discerning audience and will make sure your croissant is grilled to absolute perfection.

Your New Style

A sartorially superior cadre of personal stylists are on hand to reinvent your signature look. Your hairstylist knows your best side and will always fit you in, your favourite boutique will allow you to update your look – regularly – they know your colours. And your beautician, she's found the latest product on the market and it's yours before anyone else. You'll hone your new style, weekly.
