overview+

Sydney Corporate Park is a 14.4 hectare mixed use estate, encompassing a diverse range of office, warehouse and retail businesses. A village style atmosphere is created as a result of the Park's scale and outstanding onsite amenities.

There are more than 80 businesses located at Sydney Corporate Park including Virgin, Range Rover, Harley Davidson, The Rocks Brewery, UFC Gymnasium, In2Ski and Sky Zone Indoor Trampoline Park.

location+

Sydney Corporate Park is located in the emerging creative and commercial precinct of Alexandria, offering proximity to the CBD, excellent amenity and lifestyle benefits and convenient public transport options.

The estate offers an abundance of designated parking areas, and is in close proximity to Mascot train station, the Airport and CBD.

onsite amenities+

Sydney Corporate Park offers an outstanding level of amenity to those who work at, or visit the Park.

fitness+health

Sydney Corporate Park is home to Australia's only UFC gym and All Sorts Fitness, a multi level fitness facility offering a gym, fitness classes, an indoor swimming pool and rooftop tennis court. Corporate membership opportunities are available.

There is also an indoor sports centre, basketball court and professional dance academy open to the public.

Beauty and health services include Kinetic Health medical centre, a hair and beauty salon located on Graphix Row and Vital Wellbeing offer massages and natural health services.

food+drink

There are four cafés at the Park, each offering indoor and outdoor seating, a variety of food and catering options and licensed premises for after work drinks. The Rocks Brewery is a fully functioning brewery with a bar and large outdoor area for guests.

entertainment+

The Rocks Brewery, In2Ski and Skyzone Indoor Trampolining offer unique options for corporate events or team building activities.

functions+catering

Within the Park is a Function Centre, boasting outstanding views of the CBD skyline and South Sydney. There are a number of function room options and packages catering for corporate, team building and private events. The Function Centre provides all aspects of event management.

services+

Your staff will enjoy convenient access to onsite services including ATMs, Australia Post, newsagent, convenience store, solicitor, Officeworks and Mail and Parcel.

St Peters pick up / drop off:

South of St Peters station in the Sydney Park car park on Princes Highway, opposite May Street.

Sydney Corporate Park pick / drop off:

184 Bourke Road (opposite All Sorts pool)

environmental initiatives+

Recycled water

Rainwater is collected in containers situated on the rooftops of buildings within the Park. This rainwater is harvested, then recycled and used for cleaning, flushing toilets and irrigating garden beds.

Compost tower

Sydney Corporate Park has a large composting tower where organic material is collected from within the property, added to the compost tower and then decomposes to produce rich compost for the site's many garden beds.

Wind turbine

Harnesses wind energy to produce electricity for use within the Park.

Lighting

Exterior and common amenity lighting use CBUS controlled PE cells. Exterior lights are only switched on when there isn't enough natural light and are timed to minimise energy consumption.

Solar power

The onsite 600 panel solar farm is one of the biggest solar installations in NSW and produces up to 600 kWh of power per day

Recycling

Waste collected at Sydney Corporate Park is sent to an Alternative Waste Facility which uses a UR-3R technology to process waste. Recyclable materials are removed from the general waste and organic material is used to generate energy to power. Around 80% of waste from Sydney Corporate Park is diverted from landfill.

leasing opportunities+

Flexible+

Sydney Corporate Park has the flexibility to accommodate a wide variety of business space requirements, from traditional office and warehouse space, to retail/mixed use and creative spaces.

Office+

Flexible office space configurations are available ranging in size from 12sqm office suites to multiple floor tenancies of approximately 3,000 sqm.

Warehouse+

Warehouse leasing opportunities from 622 sqm to in excess of 15,000 sqm are available.

Creative+

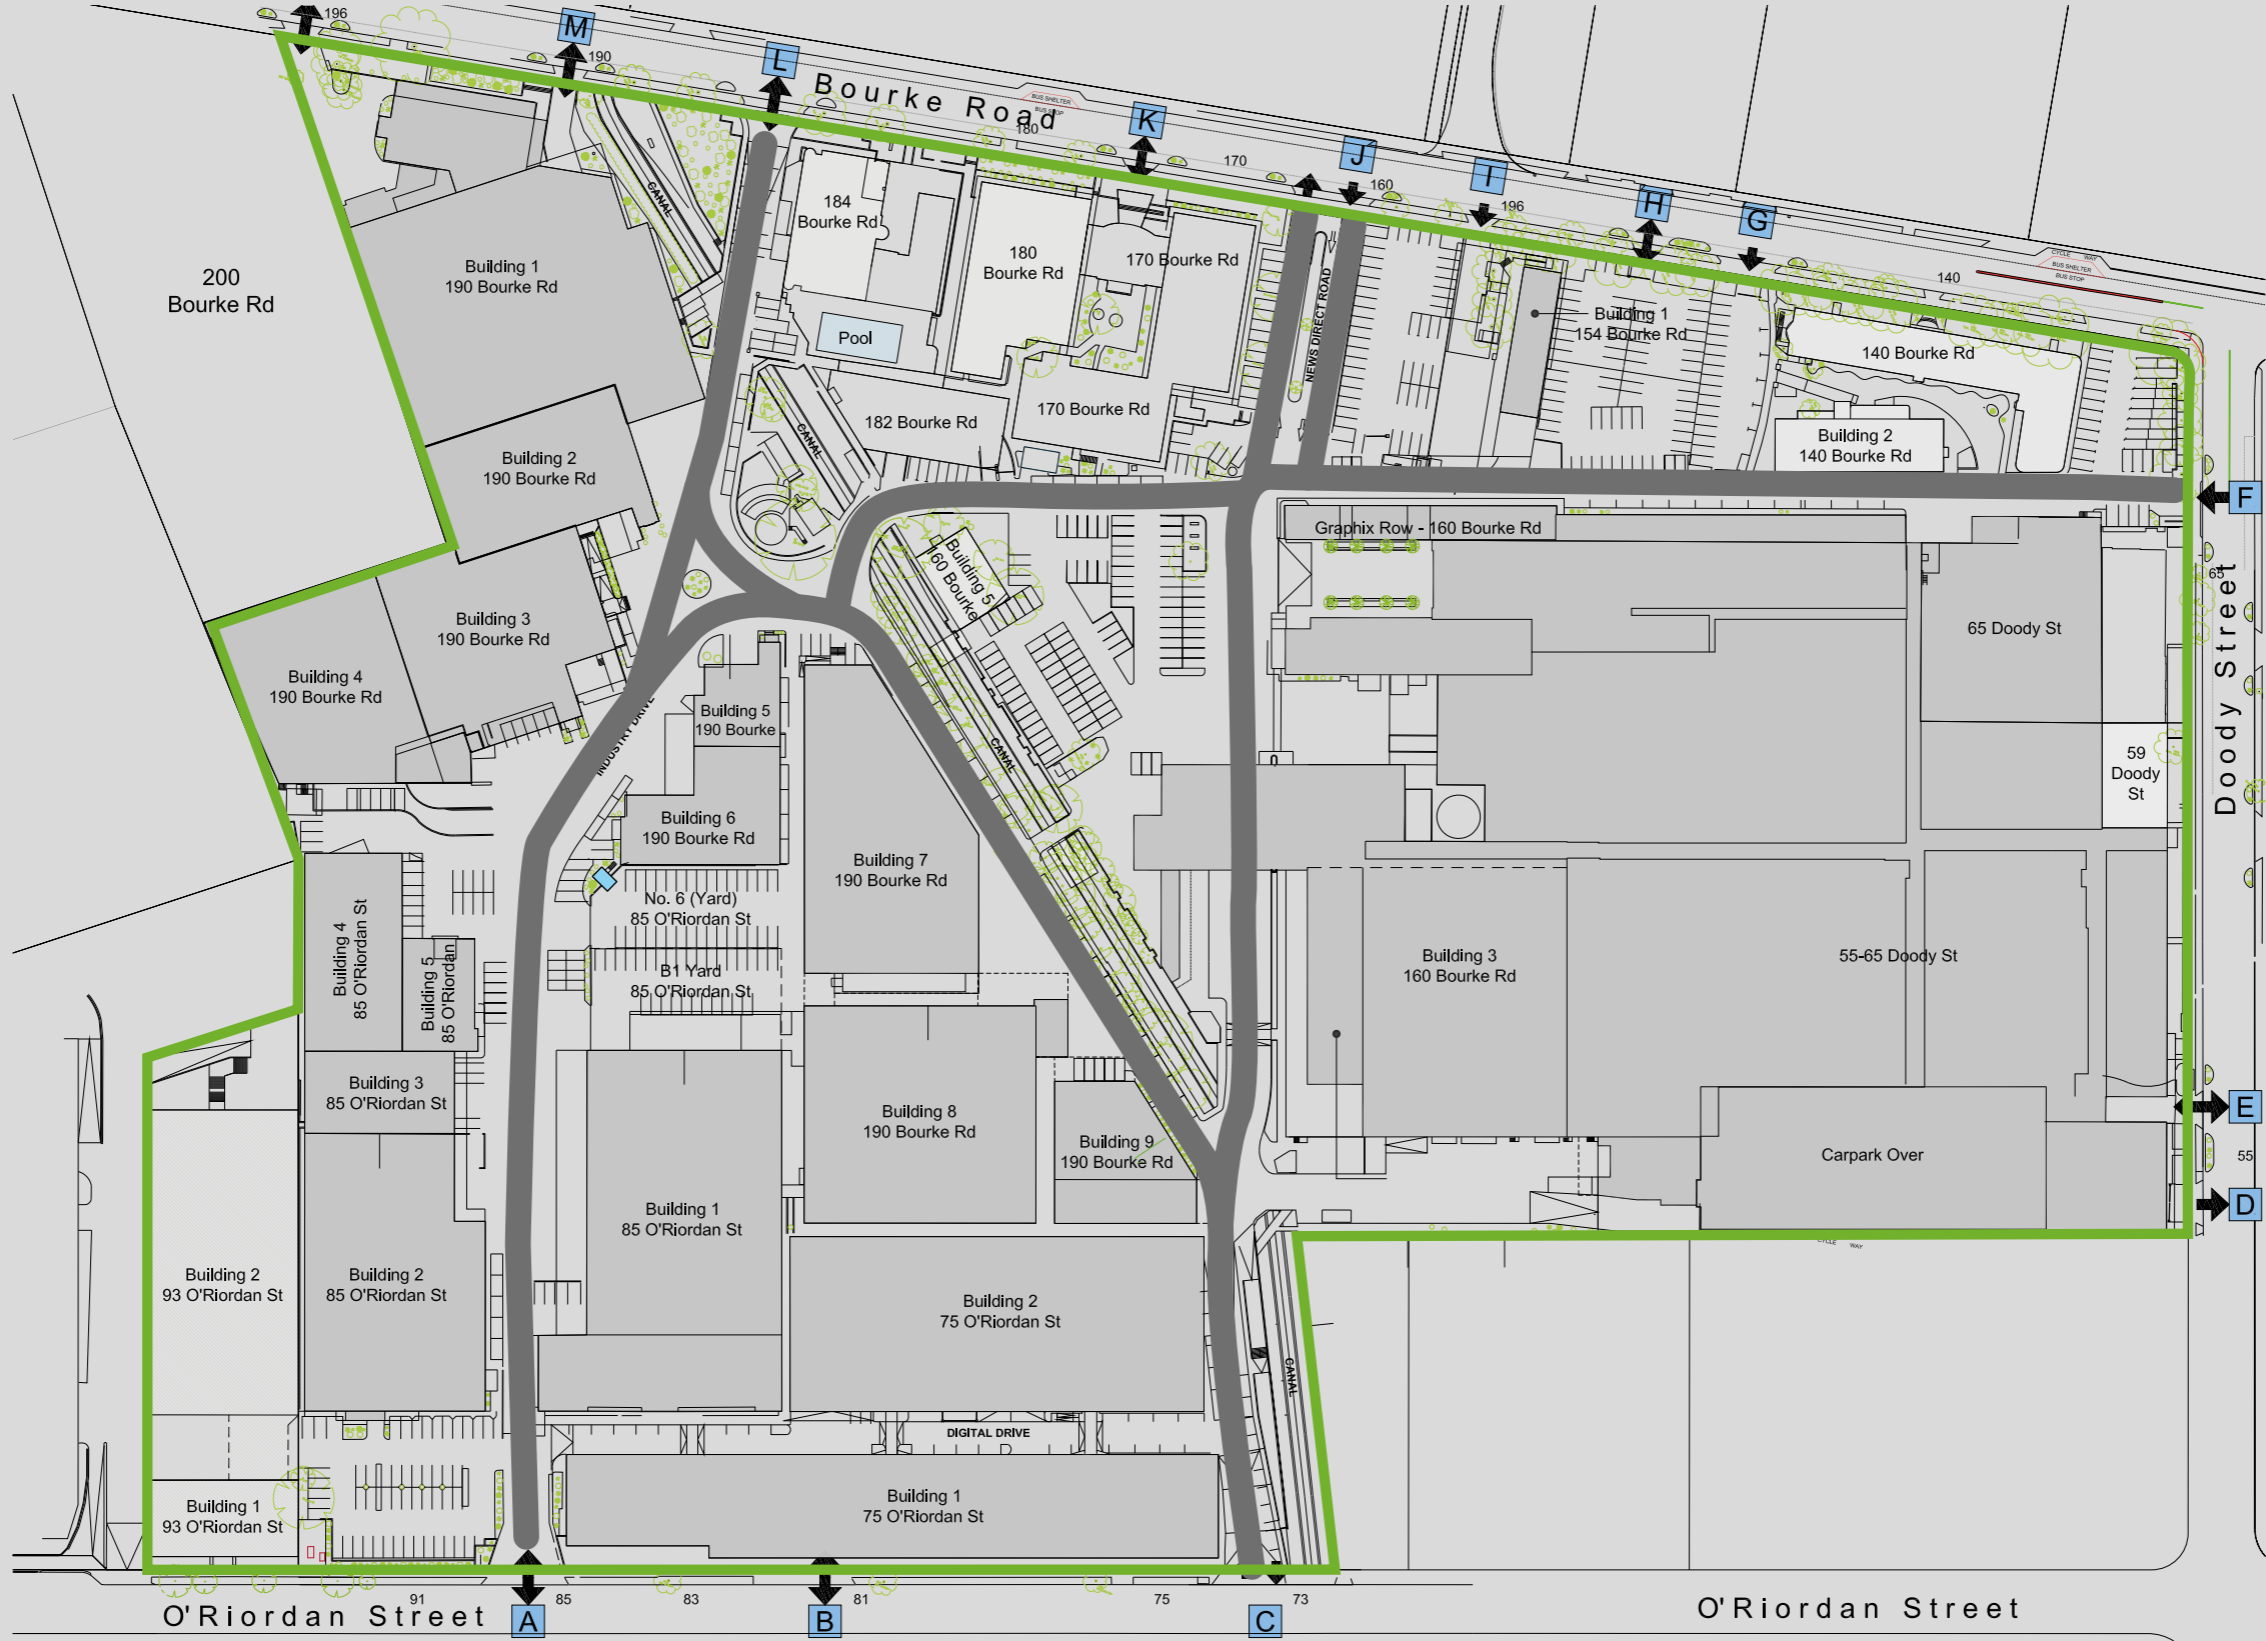

Vacancies within Sydney Corporate Park also have the potential to be converted into a space the best fits your requirements.

The concept of adaptive reuse has traditionally been seen in city-fringe suburbs such as Pyrmont, Ultimo, Surry Hills and now in Alexandria.

The adaption to building design is commonly displayed in converted warehouse and industrial buildings which retain the industrial design elements (natural light, large height clearances, exposed services) whilst adapting the space to suit commercial/mixed used customers.

site plan+

service offering+

Goodman manages 27 properties, with more than 890,000 sqm of business space in the South Sydney precinct of Alexandria, Mascot and Botany.

We are committed to building long-term relationships with customers and superior customer service is at the heart of everything we do. To ensure our customers receive the best possible service, all of our estates have dedicated property services teams.

your goodman property team includes:

- + Two Building Manager who provide on-site support for day-to-day operations, maintenance issues, occupational health and safety and general site operations.
- + Two Property Managers who are available to discuss any lease queries, invoicing issues or modifications to tenancies.
- + A Portfolio Manager who is available to discuss any changes to your business space requirements.
- + Onsite parking and 24/7 security is provided for businesses located at Sydney Corporate Park.

goodman showcase+

Goodman has significant experience in the design and development associated with urban renewal and adaptive reuse.

Recent projects include:

- + A 5,000 sqm adaptive reuse development at IBC Corporate Centre, Homebush, providing modern converted office space for Super Retail Group and Goodman.
- + The redevelopment of a dilapidated warehouse at Ferntree Business Park into a modern office and warehouse facility for Dräger.
- + The conversion of an existing warehouse into a modern office space at Unit B4 in Alexandria Industrial Estate, which was awarded a Design Excellence Award at IDEA 2014.
