Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

no comparable sales in 2km- Important advice about the median sale price: When this Statement of Information was prepared, publicly available
information providing median sale prices of residential property in the suburb or locality in which the property offered for sale is situated, and our sales records (if any), did not provide a median sale price that met the requirements of section 47AF (2)(b) of the Estate Agents Act 1980.
