Village Comparison Document

Retirement Villages Act 1999 (Section 74)

This form is effective from 1 February 2019

Lady Small Haven Retirement Village

Important information for the prospective resident

- The Village Comparison Document gives general information about the retirement village accommodation, facilities and services, including the general costs of moving into, living in and leaving the retirement village. This makes it easier for you to compare retirement villages.
- The Retirement Villages Act 1999 requires a retirement village scheme operator to:
 - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
 - o include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
 - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at Retirewithus.com.au.
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract there are different types of contracts and they can be complex
- Find out the financial commitments involved in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:

- Queensland Retirement Village and Park Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement village. See www.caxton.org.au or phone 07 3214 6333.
- The Queensland Law Society which can provide a list of lawyers who practice retirement village law. See www.gls.com.au or phone: 1300 367 757.

More information

- If you decide to move into a retirement village, the operator will provide you with a Prospective Costs Document for your selected unit, a residence contract and other legal documents.
- By law, you must have a copy of the Village Comparison Document, the Prospective Costs
 Document, the village by-laws, your residence contract and all attachments to your residence
 contract for at least 21 days before you and the operator enter into the residence contract. This
 is to give you time to read these documents carefully and seek professional advice about your
 legal and financial interests. You have the right to waive the 21-day period if you get legal
 advice from a Queensland lawyer about your contract.

The information in this Village Comparison Document is correct as at 1st February 2019 and applies to prospective residents. That information is subject to change. The village operator reserves the right to vary any of the information in this Village Comparison Document at any time.

Maintenance Reserve Fund contribution: Residents pay this charge for maintaining and repairing (but not replacing) the village's capital items e.g. communal facilities, swimming pool. This fund may or may not cover maintaining or repairing items in your unit, depending on the terms of your residence contract.

The budgets for the General Services Charge and the Maintenance Reserve Fund are set each financial year and these amounts can increase each year. The amount to be held in the Maintenance Reserve Fund is determined by the operator using a quantity surveyor's report.

Part 11– Exit fees - when you leave the village A resident may have to pay an exit fee to the operator when they leave their unit or when the right

A resident may have to pay an exit fee to the operator when they leave their unit or when the right to reside in their unit is sold. This is also referred to as a 'deferred management fee' (DMF).

11.1 Do residents pay an exit fee when they permanently leave their unit?

If yes: list all exit fee options that may apply to new contracts

☐ Yes – all residents pay an exit fee calculated using the same formula

☑ Yes – all new residents pay an exit fee but the way this is worked out may vary depending on each resident's residence contract

☐ No exit fee

☐ Other

Exit fees are calculated as a percentage (set out in the applicable exit fee table below) of your Original Standard Ingoing Contribution, according to the period from (and including) the commencement date of your residence contract to (and including) your Exit Date.

The applicable exit fee table depends on the contract option selected by you before you entered into your residence contract (see Item 9.2).

In this document, "Exit Date" means the later of:

- (a) the date your residence contract expires or is terminated; and
- (b) the date that you vacate the unit,

or any other date that the *Retirement Villages Act 1999 (Qld)* specifies as the date as at which the exit fee for a residence contract is to be, or may be, calculated.

For simplicity, this document and any Prospective Costs Document given to you assume that the date of occupation of your unit and the commencement date of your residence contract are the same date, and that you cease to reside in the unit on the Exit Date. However, this is subject to the terms of your residence contract and the *Retirement Villages Act 1999 (Qld)*.

All residents must also pay a termination fee of \$1,000, which will be deducted from their exit entitlement (see Item 14.1).

Table A – Contract Option A

6 years	35% of your Original Standard Ingoing Contribution	
10 years	35% of your Original Standard Ingoing Contribution	

Note: If the period of occupation is not a whole number of years, the exit fee will be worked out on a daily basis.

The maximum (or capped) exit fee will be 35 % of your Original Standard Ingoing Contribution after 6 years of residence, plus a termination fee of \$1,000.00.

The minimum exit fee is 1 day/365 days (1 day/366 days in a leap year) of 10% of your Original Standard Ingoing Contribution, plus a termination fee of \$1,000.00, if the period of occupation is 1 day.
