Reason there are fewer than three comparable properties

☒

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There have been no recent sales that we believe are similar to this property in aspect, position, property type or condition, sold within in the 6 month time frame this is a very unique property as the complex sits over the marina

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
