Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No suitable comparable sales were available for 118 Olive Avenue, Mildura. This was due to a lack of recent transactions involving properties with similar characteristics, including location, size, improvements, extensive shedding and vehicle accommodation& overall appeal. Unique 4 car garage / workshop with mezzanine from laneway. Home Office with separate entry and bathroom.

Therefore we could not provide any reliable market evidence to support as comparable market evidence.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
