Reason there are fewer than three comparable properties

- ☐ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Having reviewed the available comparable sales data, we are not satisfied that the comparable sales provide a sufficiently reliable comparison, given the particular characteristics of the property. Accordingly, we are unable to provide comparable sales data that we consider sufficiently relevant for this property.
