Comparable property sales

These are the three most comparable properties to the property for sale that were sold within two kilometres of the property for sale in the last six months.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to the unique nature of 21 Pier One Drive, Patterson Lakes, situated within a gated waterfront community and spanning multiple levels, there have been no directly comparable sales within the past six months. The sale of 46 Pier One Drive is less comparable due to its more dated condition and fewer bedrooms. Older sales at 28 Pier One Drive (\$1,800,000, August 2024) and 48 Pier One Drive (\$1,950,000, May 2024) have been considered to support the estimated selling price.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
