Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are limited comparable sales available for the subject property due to the scarcity of recent vacant land transactions within Bundoora and the surrounding area. Vacant allotments of a similar size, location and development potential are infrequently offered to the market, with the majority of recent transactions comprising established residential properties. As a result, there are currently no directly comparable vacant land sales considered sufficiently similar to provide a reliable comparison.

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
