Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Two comparable sales were selected; pricing reflected the property's renovation requirements. 16 Catherine Street was also considered. The CMA noted different construction at 42 Daisy Street, 26 Jarma Road, 38 Andrew Street and 21 Jarma Road. 115 New Street and 79 Heathmont Road sold outside the six-month period.
