Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent believes that 20 Kanooka Avenue, Templestowe Lower, which was used as a comparable property when determining the price at the time of listing, remains the most comparable property, despite now being more than six months old

Due to the property's substantial size, new construction and high-quality finishes throughout, there are limited directly comparable properties that have sold within a 2km radius over the past six months.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
