Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Due to the unique nature of this property, there is only one directly comparable sales available within the past 18 months. The property's combination of **a large block and home** makes it significantly different from other properties sold in the area during this period. As a result, there have been insufficient comparable sales with similar size, accommodation and waterfront attributes to provide three relevant examples.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
