Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

N/A

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

This unit is smaller and has 1 less bathroom than 71 station street. Also 71 station is in a building of only 13, and newer with a bigger floor plan. 71 station shows alot more value in the current market conditions.

Similar floor plan 104. However 104 is newer and in a much smaller complex. Plus in a better location closer to the CBD and closer to transport and shopping.
