EVERYTHING YOU NEED, *right where you want it.*

Room to Breathe in a Neighbourhood Built to Last

Generous lots from 609m² to 932m² give your family the space to spread out, entertain, and truly call a place your own.

Surrounded by established homes and long-standing residents, Sorensen Rise sits within a connected, welcoming community in Gympie's south-after Southside.

Land is a reminder that space matters. That a generous block gives your family room to breathe, grow, and make a home that's truly yours. And with house and land packages from \$850,000, the right lot in the right location becomes the foundation of everything.
