Harris

Designed with entertaining in mind, The Harris offers the perfect indoor/outdoor lifestyle. The spacious alfresco deck at the rear of the home is ideal for summer entertaining and flows through to the bright open plan lounge and dining areas of the home. This air conditioned home provides two good-sized bedrooms, complete with built-in robes, a bathroom plus a separate second toilet, internal laundry and a carport for your vehicle. The home's stylish finishes include quality window furnishings and stainless steel appliances in the modern kitchen.
